## STEWARDSHIP FOR ALL SEASONS

On Thursday, May 23, 2024, four members from our Stewardship Committee participated in a zoom meeting with our Cohort members and **Jenny Wolf Smith** one of our stewardship consultants. The Cohort consists of other churches in our Synod in the program, with some in the second year. We could instantly see the benefit of being part of the Cohort.

In this first meeting we were introduced to Basecamp.org. This basecamp will be our way to communicate with our consultant, to access program materials, and to post information about our own plans and progress in implementing the “Stewardship Program for All Seasons.”

We will begin by establishing a Fall Appeal timeline. We will use the summer months to plan how to implement good fund-raising principles in the appeal. This will involve Pastor, Council, and special committees such as The Vitality committee. Many of you will be asked to share your special talents. Please pray and be ready to be involved.

Our purpose is to help all individuals to live and give generously!

**Ron Long for Your Generosity Committee**

**Summer Sermon Series**  
**The Lord's Prayer**

*[Jesus] was praying in a certain place, and after he had finished, one of his disciples said to him, "Lord, teach us to pray, as John taught his disciples." – Luke 11:1 (NRSVUE)*

Recently, Hope's Bible Study group read a book called *The Lord's Prayer: The Meaning and Power of the Prayer Jesus Taught* by Adam Hamilton. This book and our study of it gave me many new perspectives on The Lord's Prayer, and it made me think about our own practices of the Lord's Prayer.

We pray this prayer during worship every week – some of us may pray more frequently – and yet we rarely talk about what the prayer means to us.

Therefore, this summer, I will be preaching a sermon series on the Lord's Prayer. I will be sharing some of the perspectives of Adam Hamilton, as well as my own insights and those from some other authors, and I will invite you all to think about your own perspectives as well. Here are the topics we will cover each week, and a few of my preliminary insights about each one:

**June 2: Our Father Who Art in Heaven** – For the first week, we will talk about the Lord's Prayer as a whole and about God as creator. We will also investigate what it means to talk about God as Father, and our own responsibilities as parents and as those who care for God's creation.

**June 9: Hallowed Be Thy Name** – When we pray "Hallowed be thy name," how often do we think about what it means for God's name to be "hallowed" or holy? Do we actively strive to make God's name holy through our words and our actions?

**June 16: Thy Will Be Done** – In our culture, it can be easy for us to focus on "MY" will be done, rather than on God's will. How can we work on setting our own will aside sometimes to make space for God's will in our lives, and how do we discern what is God's will?

**June 30: Our Daily Bread** – Scripture tells us "One does not live by bread alone, but by every word that comes from the mouth of God" (Matt. 4:4, based on Deut. 8:2-6). Do we truly trust that God can supply our every need? What would it look like to live more fully into that faith, and to "let go and let God" more often in our lives?

**July 7: Forgive Us Our Trespases** – We pray for God to forgive us every week, not just in the Lord's prayer, but in the Confession & Forgiveness at the beginning of worship. Maybe we even ask God to forgive us multiple times throughout our day or week. But, do we truly believe that God forgives us our sins? Do we practice owning up to our sins and asking others to forgive us? And, are we able to forgive ourselves?

**July 21: As We Forgive Those Who Trespass Against Us** – Once we've asked God and others to forgive us, and as we begin practicing forgiveness of ourselves, we must think about our forgiveness of others. Does this line of the prayer truly mean that we are asking God to forgive us in the same way that we forgive others? How can we work on forgiving others and still maintain some boundaries to keep others from continuing to hurt us?

**July 28: Lead Us, Not Into Temptation** – Have you ever thought about putting a comma after "Lead us"? It gives us a whole new meaning to that line. What if we are asking God to lead us and guide us in everything we do, to help us to avoid temptation, and to protect us from harm?

**August 4: For Thine is the Kingdom, Power & Glory** – There is great comfort in thinking about God's kingdom coming to earth, not just at the end times, but right here and now. What does that look like, and how does God call us to be leaders of bringing God's kingdom, power, and glory to our world?

I look forward to exploring these topics with you, and I hope that you all have a blessed and safe summer.

In Christ's peace,

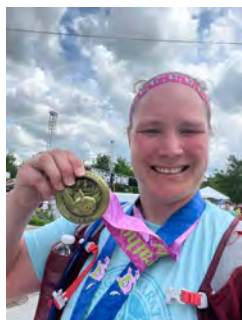

Pastor Christie

On the right is tenor **Lucinda Hardin** in disguise sneaking into a male group song.

Our dear **Pastor Christie** is sweetly singing alto on the right.

And then there is **Ray Davis**, who is like the energizer bunny, and keeps on singing.

## BIBLE STUDY

**An Altar in the World**  
Thursdays 1 p.m.

Hope's Bible Study group is beginning a series on the book *An Altar in the World* by Barbara Brown Taylor. Taylor is a best-selling author, seminary professor, and Episcopal priest. This book explores Taylor's journey as she shares how she learned to find God beyond church walls by embracing the sacred as a natural part of everyday life. By sharing her stories, she shows us how to discover altars everywhere we go and in nearly everything we do, as we learn to live with purpose, pay attention, slow down, and revere the world we live in.

Bible study meets Thursdays at 1p.m., and is available on zoom as well as in-person. Contact Pastor Christie if you have any questions, are interested in joining via zoom, or would be interested in a study series that meets a different time. Join us for fun, fellowship, and sharing God's word together!

## SOME HUMOR FOR YOU

There was a pastor of a church who loved to golf. whenever he was not preparing a sermon or pastoring to the community, he was golfing.

One Sunday morning he really feels the urge to go golfing, so he gets one of his assistant pastors to take care of the sermon and tells the assistant to inform the church that he was ill.

Well, the pastor drives off to a far off town so he wont be recognized and starts golfing.. an angel seeing all of this goes to God and says, "God! do you not see this preacher? he skipped out on Church to go GOLFING of all things! i mean.. what are you going to do?"

God says, "Be patient, just go back and watch the pastor and you will see." The angel goes and watches the pastor as he tees up on the next hole. The pastor hits the ball.....HOLE IN ONE!!!!!!

The angel goes back to God and says, "I thought you were going to punish him.. not reward him???" God answers,"Think about it. Who's he gonna tell?"

## REDEEMING 'WASTED' TIME

In *Just Like Jesus*, Max Lucado writes that the average American spends a total of six months waiting at stoplights, eight months opening junk mail, 18 months looking for items we've lost and five years standing in line. All the while, many of us grumble: "What a waste of time! I could be doing something much more important! Where are my keys?"

But Lucado suggests that we give these moments to God. Rather than whispering to ourselves, we can speak to God in prayer. "Simple phrases such as 'Thank you, Father,' 'Be sovereign in this hour, O Lord,' 'You are my resting place, Jesus' can turn a commute into a pilgrimage," he writes. "You needn't leave your office or kneel in your kitchen. Just pray where you are. Let the kitchen become a cathedral or the classroom a chapel. Give God your whispering thoughts."

When we do this, "the common becomes uncommon," Lucado adds. What's more, "wasted" time becomes valuable; boring waits become meditative; the lost — your time, if not also your keys — is redeemed.

Why do stars appear to twinkle? Try this experiment to find out!

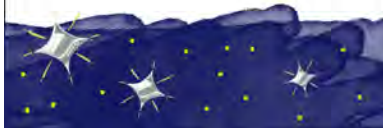

**What you need:**

- Aluminum foil
- Large glass bowl
- Water
- Flashlight

**What you do:**

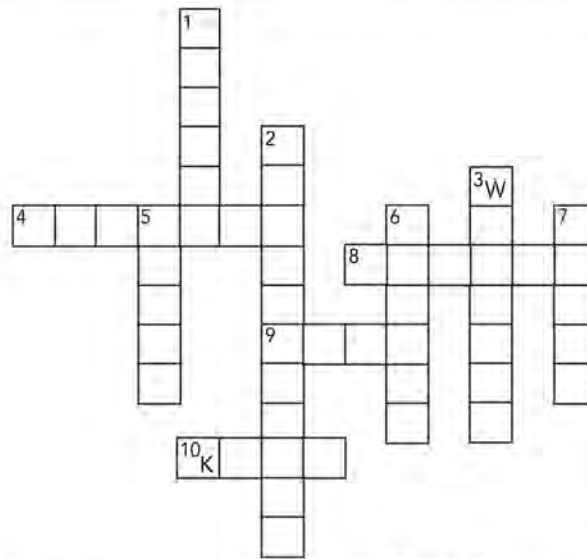

1. Crumple the foil into a ball. Carefully unfold it and lay it flat on the ground.
2. Fill the bowl with water and place it on the foil.
3. Turn off the lights and make the room as dark as possible. Shine the flashlight about 1 foot from the water's undisturbed surface. Light will reflect onto the foil.
4. Then tap your finger on the water's surface. As the water moves, what happens to the light on the foil?
5. This flickering simulates scintillation, which happens when starlight enters Earth's atmosphere. As light passes through layers of gas and water, it refracts and appears to twinkle.
