Music, Movement, and More!

Hope is passionate about offering quality music, having fun, being creative together, caring for our community, and offering opportunities for children, families, and seniors. Using our newly-remodeled fellowship hall, we will create a new ministry to provide programming in these areas. These initiatives may include a part-time staff position, classes for all ages in music and exercise, community activities such as dances, meals, and support groups...and more!

Hope continues to dream about how we can best fulfill God's path for us in a future signature ministry. As leadership teams continue to pray and discern how the gifts of Hope can best meet the needs of our community, the themes of music, fun, caring, and hospitality continue to arise.

Karen Schneider states, "Whenever there is a need, the people of Hope always step up to meet it." She shares joyful memories of many times that members and friends of Hope have given to meet a need. Karen expresses the enjoyment she felt last year when some of Hope's children went door-to-door raising money to buy animals for ELCA Good Gifts."

Hope is a loving community who wants to share with others in creative ways. The idea for the "Music, Movement, and More" outreach ministry is inspired by the abundant gifts and resources we are eager to share beyond the walls of Hope Lutheran Church.

An increase of \$193 per week \$10,000 total is needed for this ministry opportunity. Together, we can dream of new ways to become the hands and feet of Christ in this hurting world.

RANGE OF GIFTS GIVEN AND HOPED FOR

This graph displays two charts of our giving. The first shows how many gifts are currently being given at the indicated weekly amounts. *The other shows how many gifts are needed in each level to reach our goal.* As you look over the charts, prayerfully ask yourself the following:

- ▶ How does my giving reflect my gratitude to God for all the blessings I've received?
- ▶ How does my giving level compare with other ways I use my money?
- ▶ Where would I/we be on the chart if I/we doubled giving? And can I consider doing that?
- ▶ How much more could I give if I really wanted to?

Be joyful in hope, patient in affliction, faithful in prayer.

 hospitality. - Romans 12:12-13

Sustaining Ministry Excellence

We continue to offer excellent experiences to our congregation and guests, supporting the overall ministry initiatives of Hope. This includes Hope's general operations such as worship and music, children's ministry, spiritual life, pastoral care, online ministry, ongoing support for building, grounds, and utilities, and generosity to ministries outside of the congregation.

Mike and Meghan Freland share that their one-year-old, McKenna, is always excited to come to worship, and will chant "church, church" from the backseat of the car as they drive to Hope on Sunday mornings. McKenna loves to sing along and dance to the music during worship.

We want everyone to be as excited about church as McKenna is! Your help enables Hope to continue to offer quality worship experiences that are meaningful and engaging for all ages. Your donations also reach far beyond worship, to care for our pastor and staff, sustain upkeep of our building and grounds, and to support all of Hope's ministries.

An increase of \$577 per week \$30,000 total is needed for this ministry opportunity. Together, we can dream of new ways to become the hands and feet of Christ in this hurting world.
